

Volunteer/Catechist Information

Is God calling you to serve?

St. Jude Parish is blessed in many ways! One of the greatest blessings we have is the wonderful spirit of service throughout our various ministries here. Among these, is a vital ministry – catechesis. In this special type of service, we place the very future of the Catholic faith into the small hands of our children when we love them and show them the life of Jesus Christ. Our Church is strengthened by today's catechists in a very real way because they offer our children the truths of the faith and they live as examples of Christ. In our Ministry, we meet the child who begins to see more clearly the face of God in his or her life; we meet the parents who find the strength needed to continue living their faith in difficult times; and we hear these simple words "Guess what I learned in class today?" How many others will see Christ in these children because one day, a Religious Education Teacher, showed that child Christ's love?
